November 2020

WE'RE THANKFUL FOR YOU! - As we prepare for the holiday season, we would like you as parents to know how thankful we are for you! We appreciate your cooperation, trust, and support. Thank you for helping us with our activities, for your referrals to our school, and most of all, thanks for your friendship. We are so fortunate to have wonderful parents and students at our school!

FOOD DRIVE - Share the spirit of giving with your child. We will be collecting non-perishable food items for the food pantries in our area in the office area until November 16th.

HEARING & VISION SCREENING - If your student was 4 as of Sept. 1st, or is in Kindergarten, 1st, 3rd, 5th, or 7th grade, an annual hearing and vision test is required. If you have already had your child screened within 120 calendar days of his/her enrollment, please provide our office with the report. The date for screening at the school will be announced as soon as possible.

DID YOU KNOW? - Scientifically based research on Montessori education shows children in Montessori school do better on standardized tests. Montessori teaches your child how to think problems through in a logical manner - rather than memorizing answers to test questions.

It is by leading the child to the fullest development of his powers that we can help the child lead the continued march of civilization.
