September 2021

School has gotten off to a great start. We are so glad that your family has become part of our Montessori community. We are excited to share our awesome Montessori curriculum with your child and watch them progress.

COVID-19 Health Protocols – We ask that parents wear a face covering when entering the school. If you do not have a face mask on, please wait at the door for a staff person to take your child to class or bring your child to you. We strongly encourage students to wear masks. Thank you for your help in keeping our students safe!

Newsletters – Newsletters/Menus are published once per month. In order to be earth friendly, you can view the newsletter and menu on our website www.livingstonmontessori.com. If you would like a printed copy, stop by the office. You can also find more information about Montessori on the website, as well as our curriculum for all age levels. It is never too early to think about your child's educational future. Livingston Montessori School provides an academic program for students through the 5th grade. Our affiliate program located on this campus, Evolving Education, provides education for 6th – 12th grades.

Fundraiser – We are raising money for additional S.T.E.M. equipment for our students. Our “So Very Merry” fundraiser will begin on September 27th and end on October 11th. Please collect the money when taking the order. Checks should be made out to Livingston Montessori School. The items will arrive about two weeks after the entire order has been turned in.

Reminder – In order to comply with State of Texas Immunization Requirements, if you have not yet provided the school with your child's immunization records, we need them in your child's file as soon as possible. Please check with the office if any changes to your contact information (address, phone numbers, authorized emergency and pick-up) need to be made.

Thank you for your support in continuing our endeavor to give kids nutritious lunches and keep our community safe.

*“The greatest gifts we can give our children are the roots of responsibility and the wings of independence.”
Maria Montessori*

Livingston Montessori will be Closed Monday, September 6th in observance of Labor Day
